BOSTON TERCENTENARY CELEBRATION

Night Parade, September 15

Day Parade, September 17

1. Nobles of the uniformed units will report at Mechanics Building, 135 Huntington Avenue, Boston, on Monday, September 15, at 6:45 o'clock, p.m., and change to the full dress uniform of the respective units, to participate in the Night Parade, which will display illuminated and decorated floats depicting important historical events.

Lines will be formed promptly at 7.30 o'clock

The electrical equipment of the Patrol and Band will be worn to reproduce the same effects as shown in the night parades of the Imperial Council. It is desired to make an appearance that will be new and novel to the spectators and a feature of Aleppo.

A buffet lunch will be served at the Parker House, School Street, Boston, for the parading members, for which a ticket is enclosed.

2. Nobles will report at Mechanics Building, on Wednesday, September 17, at 1 o'clock p.m. for the Day Parade.

BILL OF DRESS: The full dress uniform, including equipment, will be worn by all units except the Third Platoon, which will wear the White Uniform; the Fourth Platoon, the Indian costumes, and the Altar Platoon, the Puritan costumes.

Lines will be formed promptly at 2 o'clock.

3. As both of the events are "high spots" in the Tercentenary celebration and will bring out many thousands of spectators, the Potentate expects that the Nobles of the uniformed units will do their best to create a favorable impression and a recognition of the public spirit of Aleppo Temple.

It is estimated that 25,000 will be in the line of the Day Parade, which will include the Army, Naval and National Guard forces, and the representatives of Veteran and Fraternal organizations.

"Fall in line and get behind Aleppo."

By order of

MAJOR BOLTON

R. D. LIVINGSTON, Adjutant.
